Five ways to revise with them

Cover and recall	Read the title, cover the card, say the method aloud, then check.
Pair quiz	A partner reads a title; you explain it in 30 seconds.
Before every practice question	Pull out the card for that question and follow it step by step.
Exam week	Read the timing and top-mistakes cards the night before each paper.
Classroom	Display the set as a wall, or use one card as a lesson starter.
